Dear Vendor,

I'd like to take this opportunity to introduce myself as the newly appointed part-time Crawford County Fair Coordinator. I graduated from the University of Wisconsin —Stout in 2006 and over the past five years I've held numerous positions involved with the Fair. I enjoy working in the non-profit sector and I'm very excited to be able to continue to do so as the Crawford County Fair Coordinator. I have been a long-time exhibitor and supporter of the fair; however, this is my first experience with what truly goes on "behind the scenes."

The Crawford County Fair is coming up soon! Our 2013 Fair will be Wednesday, August 7— Sunday, August 11. We've continued to have a packed entertainment schedule for the 2013 Fair. We have booked music, educational events and extra events and even more events planned for this year then in the past!

Additionally, I would like to update you on some exciting NEWS! The Crawford County Fair Office has moved from the Crawford County UW-Extension Office site in Prairie du Chien to the Fairgrounds Office at the Mercantile Center, 120 Sunset Ridge, Suite 114, in Gays Mills. Office hours are Wednesdays from 1:30 pm to 6:00 pm or by appointment. Although there's been a site change, the Crawford County UW-Extension and the Crawford County Fair offices are still working together to provide our community an outstanding customer service.

We hope that you will choose to be a part of the growing excitement of the Crawford County Fair! Please return all contracts to the Crawford County Fair Office. Returned contracts will be accepted on a first-come, first serve basis. We will not be able to consider contracts returned after July 1, 2013, as in the past all of our spaces have filled up quickly. For highest cost-savings, remember to order your parking passes at this time as well!

If you have any questions or concerns, please don't hesitate to contact the Fair Office by calling or texting 608-412-4748 or emailing cctyfair@crawfordcountywi.org.

Sincerely,

Amanda Nagel
